### 1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

### 2. Legislation and guidance

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)

- › [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
  - › [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- It also refers to:
- › [Keeping Children Safe in Education](#)
  - › [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

The local governing body are responsible for:

- › Setting high expectations of all school leaders, staff, pupils and parents
- › Making sure school leaders fulfil expectations and statutory duties, including:
  - Making sure all schools in the trust record attendance accurately in the register, and share the required information with the DfE and local authorities

- › Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- › Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- › Making sure all staff receive adequate training on attendance, including with teachers from across the trust, as part of the regular continued professional development offer, so that staff understand:

- The importance of good attendance
  - That absence is almost always a symptom of wider issues
  - The school's legal requirements for keeping registers
  - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
  - Sharing effective practice on attendance management and improvement across the trust and providing regular opportunities for staff from different schools to come together, learn from each other and share resources
  - Holding the headteacher(s) to account for the implementation of this policy

### 3.2 The headteacher

The headteacher, alongside senior leaders within the school and trust, will promote our unwavering commitment to attendance which centres around child-centric actions, evidence informed practices and a shared understanding of everyone's roles and collective responsibilities to promote attendance.

- Working more intensively with schools who require support to improve attendance
- Acting as a central contact point for schools with attendance queries
- Liaising with the DfE's regional teams for advice about wider support programmes

The trust Safeguarding & Inclusion lead is Rebecca Diaz and can be contacted via telephone number 02476840839 and/or email [r.diaz@finhamparkmat.co.uk](mailto:r.diaz@finhamparkmat.co.uk)

### 3.4 The designated senior leader responsible for attendance

The designated senior leader also known as the 'senior attendance champion' is responsible for:

- Leading, championing and improving attendance across the school

FINHAM PARK  
MULTI ACADEMY TRUST

- Chair a weekly strategic meeting with relevant parties to review previous actions and benchmark future actions based on current attendance data.
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues

- Advising the Headteacher re recommendations about fixed penalty notices and other legal proceedings

The designated senior leader responsible for attendance is Christine Green and can be contacted via e mail at [cgreen@lynghallschool.co.uk](mailto:cgreen@lynghallschool.co.uk) Tel: 02476 724960 Ext 4207.

### **3.5a The Attendance Administrator and Data Manager**

The school attendance administrator is responsible for:

- Ensuring school register codes are up to date and accurate
- Taking calls from parents/carers (who have not used Studybugs) about absence on a day-to-day basis and record it on the school system.
- Share information from parents/carers to the Pastoral Year Co-ordinators (PYC's) where appropriate, in order to provide them with more detailed information to support their work on improving attendance.
- Ensuring that all registers are taken accurately and on time.
- The data manager will analyse and present attendance data for the strategic group to use, (see section 7)

### **3.5b Pastoral Year Co-ordinators (PYC's)**

- Use attendance data to identify areas of focus for improvement, agreed with senior attendance lead
- Providing regular attendance feedback to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance

- › Providing the senior attendance lead with relevant information to inform decisions about further action, including penalty noticing.
- › Collate all leave of absence request forms & inform parents/carers of the school's decision to authorise or unauthorise absence

### 3.6 Class teachers/form tutors

All class teachers/form tutors are responsible for:

- > recording attendance on Bromcom, for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1) and within the first 10 minutes of the session.
- > meeting and greeting children on arrival
- > creating positive classroom environments
- > building positive relationships with all children and adults
- > recognising individual and collective attendance related achievements
- > monitoring daily attendance and punctuality for their class, form group, College/House.

### 3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- › All natural parents, whether they are married or not
- › All those who have parental responsibility for a child or young person
- › Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Ensuring your child's attendance at school is a parent/carer's legal responsibility (section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law. Therefore, parents/carers are expected to:

- › Make sure their child attends every day on time
- › Report their child's absence before 8.40am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- › Provide the school with more than 1 emergency contact number for their child
- › Ensure that, where possible, appointments for their child are made outside of the school day
- › Discuss with the school well in advance any planned absences & only request leave of absence for an exceptional circumstance
- › Keep to any attendance contracts that they make with the school and/or local authority
- › Seek support, where necessary, for maintaining good attendance, by contacting the relevant PYC or the senior attendance lead who can be contacted via their e mail addresses shown at the end of this document)

### 3.8 Pupils

Within the FPMAT, pupils are expected to:

- › Primary schools - Attend school every day, on time

- › Secondary schools - Attend every timetabled session, on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity, where a pupil is attending an approved educational activity
- › The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:45 with a warning bell to alert students to the start of lesson 1 at 8:50 and ends at 15:15.

Pupils must arrive in school by 8:50 on each school day.

The register for the first session will be taken at 8:50 and will be kept open until 9:15. The register for the second session will be taken at 1:15 and will be kept open until 1:45.

### 4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.40am, or as soon as practically possible, by reporting via Studybugs or calling the school attendance administrator, who can be contacted via telephone 02476 724960 Ext 4125

FINHAM PARK  
MULTI ACADEMY TRUST

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

### **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, evidence must be provided and the pupil should be out of school for the minimum amount of time necessary. The school will not authorise a whole days' absence for a medical appointment – the child is expected to attend school prior to or after their appointment depending on whether it is a morning or afternoon appointment.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Parents/carers who wish to request a leave of absence for their child(ren) must do so in writing using the Leave of Absence form (see appendix 2). See section 5 for further details.

### **4.4 Lateness and punctuality**

All pupils are expected to arrive on time for every day of the school year. Pupils who arrive late:

- Before the register has closed will be marked as late, using the appropriate code (L)
- After the register has closed will be marked as absent, using the appropriate code (U)

Please note: L and/or U codes will also be used if a pupil arrives late for the PM session.

Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may result in a penalty notice being issued, or prosecution.

### **4.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Contact the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may complete a home visit or contact external agencies such as the LA Attendance team, Children's social care or the police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent

- Contact the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Discuss the pupil at the termly Targeted support meetings to seek advice and guidance on additional support strategies
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals e.g. to Early Help and/or other external agencies
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

#### 4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.8 above) about their child's attendance and absence levels via half-termly written reports, unless there is an attendance concern in which case this will be done more regularly.

### 5. Authorised and unauthorised absence

#### 5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as rare, significant, or unavoidable which means the event could not reasonably be scheduled at another time.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is highly unlikely a leave of absence will be granted for the purposes of a family holiday.

All absences associated with a family holiday (without exceptional circumstances) during term time will be marked as unauthorised on the register. Any parents known to have removed their child from school for the sole purpose of a holiday may be referred to the Local Authority by the headteacher and be issued with a fixed penalty notice.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted in writing as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via [insert where parents can access the form] (see appendix 2). The headteacher may require evidence to support any request for leave of absence. If a pupil is over compulsory school age (e.g. sixth form), leave can be requested or agreed by the pupil or a parent they normally live with.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the trust/school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)

- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 per child within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, within a rolling 3 year period, the parent must pay £160 within 28 days with no option for the offence to be discharged at the lower rate of £80.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action, such as a prosecution, will be taken instead.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## 6. Strategies for promoting attendance

FINHAM PARK  
MULTI ACADEMY TRUST

Our **Inclusive Attendance** approach is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

Schools will work closely with parents/carers to promote the importance of school attendance & support regular attendance – for example communicating early about issues; acknowledging positive improvements; indicating a named contact in school; identifying barriers to attendance; seeking support and/or making referrals to other agencies; offering parents an attendance contract etc.

Students' attendance will be celebrated for various reasons and through a range of rewards.

## **7. Supporting pupils who are absent or returning to school**

To address any identified attendance issues effectively, Lyng Hall School will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes. The Trust promote the use of the ATTEND Framework (developed within Brighton & Hove City Council), the Coventry & Warwickshire Dimensions tool [Dimensions - Home \(covwarkpt.nhs.uk\)](http://Dimensions - Home (covwarkpt.nhs.uk)) and other similar resources in order to identify these barriers to attendance.

### **7.1 Pupils absent due to complex barriers to attendance**

As per government guidance, where pupils have complex and long-term health conditions that are impacting attendance, schools will work with professionals to provide cross-agency support where they feel other services may help to alleviate a pupil's concerns about barriers to attending school, and ensure that the pupil knows which school staff they can talk to if required.

### **7.2 Pupils absent due to mental or physical ill health or SEND**

As part of any plan to support the child to attend, Lyng Hall School will facilitate relevant pastoral support with the clear aim of improving attendance as much as possible whilst supporting the underlying mental health issue.

This will include making reasonable adjustments to overcome specific barriers to attendance such as:

- Sensitive conversations with pupils and with parents/carers as swiftly as possible
- Utilising the ATTEND tool or similar to identify barriers
- A trusted adult periodically checking how the pupil is feeling
- Enabling the pupil to access a quiet space during social times
- Support to access additional educational support & tutoring
- Timetable adjustments &/or phased reintegration

More examples of common, effective reasonable adjustments can be found in the DfE: [Support for pupils where a mental health issue is affecting attendance: effective practice examples \(publishing.service.gov.uk\)](http://Support for pupils where a mental health issue is affecting attendance: effective practice examples (publishing.service.gov.uk)).

Any plan to help the child attend may also involve making referrals to in-school or external professional support. This may include but is not limited to: community groups; school nursing

FINHAM PARK  
MULTI ACADEMY TRUST

services; specialist teachers; mental health support teams; counselling services; psychological practitioners.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that relate to the pupil's needs, the school will inform the local authority.

### **7.3 Pupils returning to school after a lengthy or unavoidable period of absence**

Lyng Hall School will work together with parents/carers, professionals and importantly the child, to plan the support for a return to school. The school might choose to write an Individual Healthcare/Medical Plan for your child, which sets out exactly what care will be needed in school and who will give it. Some children welcome the chance to get back into a routine and to see their friends, others, particularly teenagers, may feel more anxiety about going back. This could be because of changes in their appearance or worries about friendships. Getting the right support in place can make a big difference & therefore this will be agreed on a case-by-case basis.

### **7.4 Staged Reintegration/Part-time timetables**

All children of compulsory school age are entitled to receive a suitable full-time education and the school and local authority have a statutory duty to ensure that all children in the area receive such an education. In very exceptional circumstances, we may decide to implement a temporary, part-time timetable to meet a pupil's individual needs and only where it is safe to do so.

We will not use a part-time timetable to manage a pupil's behaviour. A part-time timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision where applicable. We will never put a part-time timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family.

We will notify the Attendance and Children Missing Education Team of all part-time timetables as soon as a plan has been agreed and use the appropriate attendance code to record this within our admission register.

## **8. Attendance monitoring**

### **8.1 Monitoring attendance**

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

## 8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Work with the trust lead to find attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

## 8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to relevant staff, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

## 8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school (20 days), and severe absence is where a pupil misses 50% (100 days) or more of school. Absence at just 10% is causing considerable damage to a child's educational prospects. Reducing persistent and severe absence is central to both the trust & school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education

FINHAM PARK  
MULTI ACADEMY TRUST

- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- If parents/carers fail to engage with support and their child continues to have unsatisfactory attendance/punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice or prosecution in the Magistrates court (see section 5.2, above)

Parents found guilty in a Magistrates' Court of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

## 9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Christine Green, Designated Senior Attendance lead in collaboration with Rebecca Diaz, FPMAT Safeguarding & Inclusion Lead. At every review, the policy will be approved by the full board of trustees & subsequently the school's local governing body.

## 10. Links with other policies

To underpin the values and ethos of our school and our intent to ensure that pupils attend school regularly and reach their full potential, the following policies are integral:

- Child protection & Safeguarding
- Medical needs
- Admissions
- Anti-bullying
- Exclusion
- Special Educational Needs

## Appendix 2:

### Leave of Absence Form

Dear Parent/Carer,

Ensuring your child attends school every day will help to maximise their education and social achievements as well as developing self-discipline, organization and preparedness for the future.

Research shows missing school for even one day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances.

The Department for Education no longer allows the Head Teachers (or authorised person) **to grant any leave of absence during term time unless there are exceptional circumstances that apply to the application.**

Finham Park Multi academy Trust define 'exceptional circumstances' as rare, significant, or unavoidable which means the event could not reasonably be scheduled at another time.

Examples of exceptional circumstances **may** include:

- An immediate family member's bereavement, crisis or serious illness
- Funeral or wedding of immediate family member
- Religious observance
- One off sporting events/performing arts competitions, if the child is participating and is at county standard or above and a letter has been provided from the performing arts/sports regional governing body as evidence.

If you consider that your requests for school absence is exceptional, you must complete the attached form return it asap and where ever possible at least two weeks before the absence start date. All applications will be considered on a case-by-case basis.

A leave of absence for a family holiday **will not** be authorised for such reasons as:

- The availability of cheap holidays or desired accommodation
- Poor weather experienced during school holidays
- Holidays which overlap the beginning or end of term
- Parental difficulty obtaining leave (with local judgement applied in cases where evidence is provided by the employer that it cannot accommodate leave during school holidays without serious consequences)

Please be aware, students who are absent for more than 10 days following their expected date of return will be reported to the Local Authority as a child missing education and may be permanently removed from the school roll.

Absence will not be authorised for reasons such as the following:

- To care for other family members
- Family Anniversaries/Birthdays
- To interpret for other family members
- No school uniform/shoes
- Bullying/Friendship problems
- Head lice
- Travel problems
- School refusal

**APPLICATION FOR PUPIL LEAVE OF ABSENCE FROM SCHOOL DURING TERM TIME**

**Please note:** Students who miss school frequently can: fall behind with their work; do less well in examinations; miss out on social interactions and development as well as a range of extra-curricular opportunities. Good attendance shows potential employers that a young person is reliable, resilient & committed to their education and professional development. Research suggests that students who attend school regularly could also be at less risk of involvement in antisocial behaviour or crime.
