Did You Know?

The weeks are disappearing and the weather has definitely thrown in a few surprises this week! Pupils on the whole were really sensible. A reminder that fleeces are available with the Lyng Hall logo on. The rooms are well heated, so outdoor wear or hoodies must not be worn.

You can see in this edition the Lyng Hall Red Day event, where we are asking for donations to the Christmas Hampers, thank you to Elliott and the Student Council for the poster design.

The Accept and Respect group also do a great job of creating the monthly calendar page. Pupils from Foundation, who are part of the group, have created this month's design—it looks amazing. The A&R monthly focus is on redoing the map that shares how many languages and places pupils from Lyng Hall come from—so we hope to share with you soon our new art feature.

Please remember all of the 'At the end of school' opportunities. Period 7 has Science Club, Robotics Club, Sports activities, School Show rehearsals, revision classes and support. Please make the most of this opportunity.

Thank you again to the calendar team from the Accept and Respect group— these are getting better each time!

It is lovely to see them displayed around the school.

We are Lyng Hall—Christmas Hampers

We are once again going to collect for the Christmas Hampers that we award each year to Lyng Hall families.

We are mixing it up a little this year. Each tutor group is challenged with creating their form group box.

We have a non-uniform day coming up and instead of a money charitable contribution, we ask that one item from the list is donated to the hamper. The group can then decorate and put their personal touch on the hamper and it can go to a deserving recipient.

College – Update

Well what can I say, when we are faced with a challenge we always respond and this is something I love to see. College co-ordinators have some big priorities this year, and one I am not having to worry about too much is behaviour. As a college we are consistently the lowest of all the colleges, but a small few are still letting us down and that is holding us in second place this week.

Our big focus needs to be on attendance to school and punctuality, as this also brings about another large bonus each week. This infographic highlights the effects attendance has on you. We have almost the same amount of days in school as we do off, and no other workplace is like this.

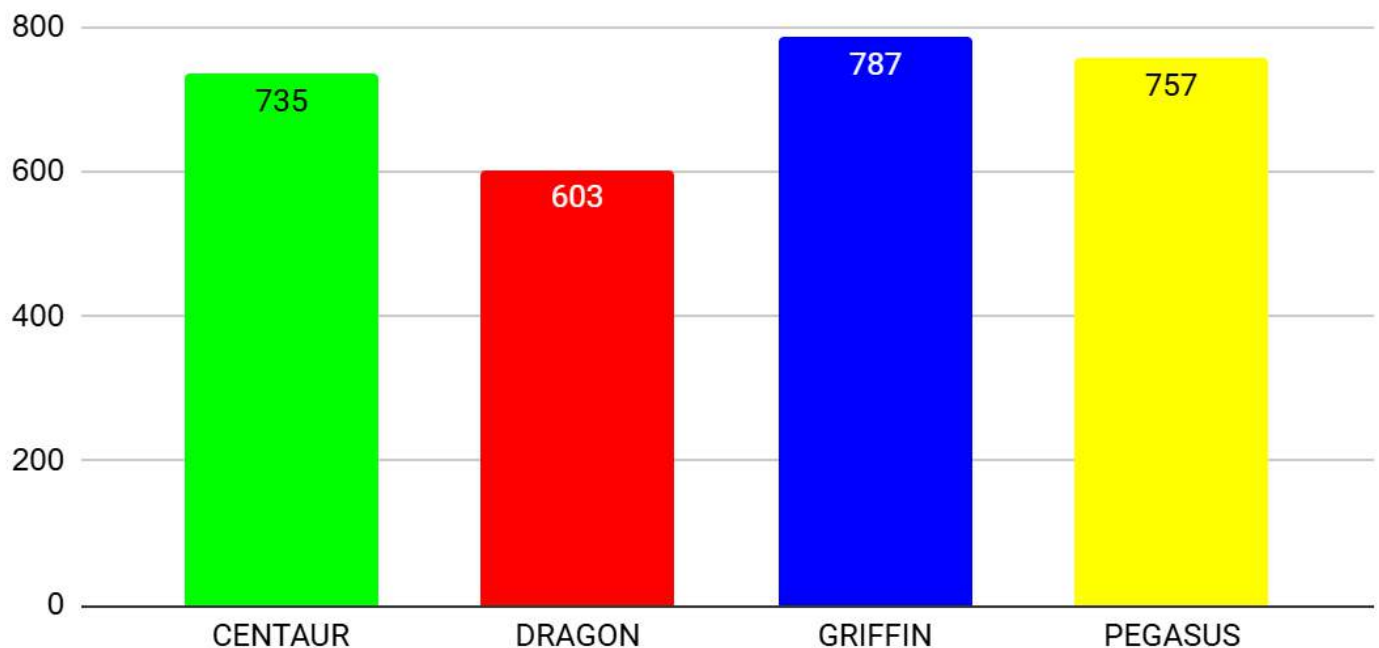

Let's have a really big push between now and Christmas, when its getting colder or we have a little sniffle, its darker in the mornings and harder to get out of bed, to pull together as a college and make sure we are all in school, on time and see if we can earn 1st place in the championship.

Another shout out to our top five Pegasus students so far this year— Ashley Dewis 10i, Sara Raducan 10i, Javion Duke 10i, Amelie Munro 10R and Vanessa Nwajioha 10R. Well done to you all, and to everyone else, can we break in to the top 5!!!!

College – Update

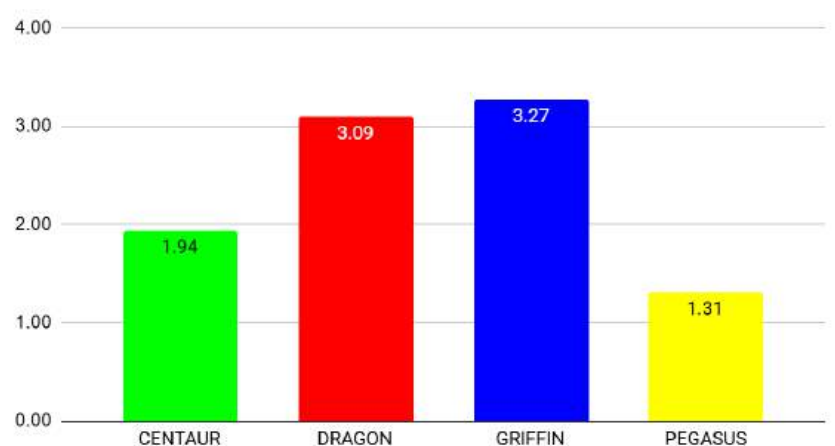

COLLEGE POINTS PER PUPIL

There is a good element of competition between the top three colleges and a big change has taken place this week... Pegasus have jumped into second place; pushing Centaur down into third place. It will be interesting to see how things play out over the next few weeks... Will Pegasus climb even higher, to first place, or will Centaur fight back for a spot in second place?

One factor in particular, that has led to a point increase for Pegasus, is their low number of behaviour points. The college that has the lowest number of negative points each week, is awarded 1000 bonus points. Pegasus has achieved the bonus point award almost every single week, since the beginning of the academic year!

As it can be seen in the tables above, we now have some pupils very close to reaching 1000 points; which means they will be awarded a bronze badge in assembly. This is an incredible achievement and reflects their excellent work ethic in school and the positive contributions they are making towards their college.

Lyng Hall Uniform Donations

We have been informed by our pupils that they sometimes out-grow their uniform during the year and therefore buy new items. We would like to take the opportunity to ask that any uniform that you may be replacing, or not using, is kindly donated to the school.

The uniform does not have to be in brand new condition but be relatively good quality (not ripped or stained) and can include PE kit, winter coats, shoes etc.

Pupils and/or parents can hand the uniform donations into the school reception at any point in time throughout the year. We greatly appreciate all donations that have been made previously and any that we receive in the future.

Thank you,

Miss Gaggini
